

## Direct Deposit

Payments processed through direct deposit will be posted in the individual's account approximately 72 hours (3 business days) following the processing date. Please note that weekend days will prolong this time period to as many as 5 days following the processing date.

---

*I hereby authorize Nowcom Corporation to direct all future payments to me directly into my bank account via direct deposit. I understand that any payment directed to this account via direct deposit may not be posted to my account until 3 business days following the processing date. Attached to this Direct Deposit Authorization Form is a voided personal check with my bank account information.*

*I understand that if necessary, adjustments can be initiated for any transactions credited/debits in error. This authority will remain in effect until Nowcom Corporation is notified by me in writing to cancel it in such time as to afford Nowcom Corporation and my Financial Institution (attached bank account information) a reasonable opportunity to act on it.*

- Checking Account- Attach a voided check with your name pre-printed on it (no deposit slip or temporary checks)
- Savings Account- Provide a letter/form prepared by your bank with your bank account & routing information. Do not use a pre-printed deposit slip.
